Outgoing File

Dear Mr. Owen:

The Division received your application to add a post-mining drainage upslope from the ballpark. We anticipate completing this review by April 30, 2001. Jim Smith has been assigned as the team lead on this project. A copy is being forwarded to the U.S. Forest Service for their review and concurrence.

If you have any question, please call Jim at (801)-538-5262 or me at (801) 538-5325.

Sincerely,
